

WILL SULTAN YIELD

International Fleet Preparing—
All Eyes are on Turkey.

MINISTER SENDS FOR SHIPS

Austrian Representative Asks that Portion of Fleet of Powers Proceed to Turkish Waters, and It Will Probably Leave Today as Per Request.

London, Nov. 23.—The persistent refusal of the Turkish Government to accept European control of revenues of the Vilayets of Macedonia, is about to lead to the putting into operation of the threat of a naval demonstration, with the idea of compelling Turkey's acquiescence.

The obduracy of the Sultan is apparently based on the belief that he had the passive support of the German Emperor, and upon the jealousies supposed to exist between the powers.

In diplomatic circles, it is even yet expected he will yield before the international fleet takes active measures.

It is understood the Sultan has appealed vainly to Emperors William, Nicholas, and Franz Joseph, against the proposed demonstration. Germany's abstinence from participation in the naval demonstration makes the situation increasingly interesting.

The fact that the session of the council of the ministers, at which time the proposals of the powers was rejected was stormy, and that all the ministers except the minister of war favored yielding, leads to the belief that the Sultan will yield at the first show of determination on the part of the powers, after satisfying his people he is yielding to superior forces.

Minister Wires for Fleet.

Vienna, Nov. 23.—Baron Von Calice, the Austria-Hungarian ambassador at Constantinople has telegraphed Admiral Von Jedine, for a portion of the international fleet to sail immediately, proceeding first to Mytilene, Island of Grecian, (belonging to Turkey in Asia) or for the Besika Bay (near the entrance to Dardanelles).

Fleet Ready to Sail.

Athens, Nov. 23.—It is understood the international fleet will sail tomorrow. The foreign ministers today paid visits to the commanders of the warships of their respective countries. The commanders later held a conference aboard the Austrian flagship.

SAYS PRESIDENT IS SINCERE BUT THINKS HE IS MISTAKEN

President Ripley of Santa Fe Expresses Views on Railroad Rate Legislation and the Panama Canal.

Los Angeles, Nov. 23.—President Ripley, of the Santa Fe, in speaking about the proposed railroad rate legislation, said today, that the President's ideas, in his opinion did not differ materially from those of most railroad men.

Mr. Ripley believes the President sincere, but says he is as mistaken as he is sincere. Ripley does not think that what the President proposes is a remedy to the evils the President says exist.

He added the Panama canal would not interfere seriously with the traffic of the Western roads. He says it is not worrying him much, as he does not expect it to be completed during the present generation.

Sells More of Chamberlain's Cough Remedy Than of All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by Frank Hart and leading druggists.

St. Louis, Nov. 23.—In a lengthy extempore opinion, United States Circuit Judge VanDevanter overruled the motion to dismiss all the counts in the indictment against Senator Burton, charged with having accepted from Rialto Grain and Securities Company, compensation for acting as attorney before the Postoffice Department, which were filed by the defense, following the close of the Government's case today.

Charles H. NATURE SPARES

The Stricken Rose From Grief.

What a fortunate provision of nature it is, that deprives the rose of mental suffering; for how poignant would be its grief to discover, in the height of its blooming glory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

BALFOUR IS THROUGH

London Political Circles Agog as Result of Rumor.

WILL APPEAL TO THE PEOPLE

Suggestion from Two Leading Newspapers that He Resign, Believed to Have Been Instigated by Himself—Resignation of Cabinet May Be Sent King.

London, Nov. 23.—Tremendous activity developed in political circles today, consequent of the circulation of a well founded report that Premier Balfour had decided to bring his ministry to a close, and directly, or indirectly, appeal to the country.

Rumors regarding the resignation of the Cabinet and dissolution of Parliament, have been thick for three months, but when the two leading Government organs today, almost in the same terms, "suggested" the immediate resignation of the Premier, on account of the unmendable breach in the Unionist party, over the fiscal question, the "suggestion" was looked upon as having been instigated by Balfour himself. This was strengthened by the knowledge that prior to the publication of the editorials, Balfour met certain influential persons.

All the present interest now centers in the Cabinet meeting tomorrow, at which it is understood the situation will be discussed. Some well informed persons go so far as to say Balfour will go from the meeting to the King, with the resignations of himself and the Cabinet.

Sure Balfour Will Resign.

London, Friday, Nov. 24.—This morning's newspaper are unanimous that the Cabinet meeting today will result in the resignation of Premier Balfour.

Cured Consumption.

Mrs. B. W. Evans, Clearwater, Kans., writes: "My husband lay sick for three months. The doctors said that he had quick consumption.

We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago. Since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal." 25c, 50c, and \$1.00. Sold by Hart's drug store.
